

Medical Countermeasures Exercise & Mass Antibiotic Dispensing Training

Kanawha-Charleston Health Department will be participating in a full-scale, Medical Countermeasures Exercise (MCM) on April 20th, 2017. The purpose of this exercise is to test our plan and capabilities for dispensing medication to the public during a large-scale medical emergency. A Mass Antibiotic Dispensing Training will take place prior to the exercise on April 6th, 2017.

Intended Audience: All KCHD and PCHD Employees, Medical Reserve Corps (MRC) Volunteers, and Closed Point of Dispensing (POD) Partners.

Objectives: At training completion, participants will be able to:

- Understand foundational concepts behind the Strategic National Stockpile (SNS), MCM, and medical Points of Dispensing (POD).
- Perform core POD roles and responsibilities.

Nursing and Sanitarian CEU's will be available. *

* Nursing CEU's will be provided by the Kanawha-Charleston Health Department through the state of West Virginia Board of Examiners for Registered Professional Nurses under provider number WV2004-0464RN

Please contact Kady Rogers to RSVP to these events, by email at Kady.Rogers@wv.gov, or by phone at (304) 348-1088.
